MAKE A DIFFERENCE.

Our Vision

To Give Extravagantly to Impact Every Community in America and to the Ends of the Earth Through the Buying and Selling of Residential Real Estate.

The HomeSown.org Story

HomeSown.org was born out of a deep desire by its founders, Mark and Elizabeth Peebles, to sow more into God's Kingdom. It started with a challenge from the Lord to set a giving goal one year, instead of an income goal, for their successful Dayton/Cincinnati, OH real estate business. After a year of faithfully setting aside a larger portion of their income to "hit the goal," Mark and Elizabeth found that they had not only exceeded their giving goal, but their income was more than they could have imagined. The next year they started HomeSown.org with a vision to have an impact in every community in America and to the ends of the earth.

HomeSown.org can refer Trusted Local Agents to home-buyers and sellers all over America. Every time a transaction closes, HomeSown.org makes a generous donation to the Ministry Partner of the buyer or seller's choice.

Most Americans *do not know who they can trust when it comes time to buy or sell a home.*

HomeSown.org is a National Agent Referral Network dedicated to making a difference that connects home-buyers and sellers to Trusted Local Agents in their market with proven results and strong character to guide them through the process. We then donate a portion of the real estate commission to a faith-based organization chosen by the client. Our clients are highly satisfied knowing they received expert advice and outstanding service to help them achieve their goals... but they also feel the satisfaction of knowing that they made a difference by donating to their choice of a nonprofit by buying or selling their home.

For every \$100,000 increment in home sale price, HomeSown.org donates \$500 to your faith-based nonprofit organization.

Home Sale Price	Donation Amount
\$100k - \$199k	\$500
\$200k - \$299k	\$1,000
\$300k - \$399k	\$1,500
\$400k - \$499k	\$2,000
\$500k - \$599k	\$2,500
\$600k - \$699k	\$3,000
\$700k - \$799k	\$3,500
